### Youth Music Open Programme

The Youth Music Open Programme is available for organisations wishing to apply for grants of £5,000 to £30,000 to delivery projects that support Youth Music's core goals.

The Open Programme targets nearly £2m of Youth Music's funding towards projects that support their goals of:

Early Years – advancing the learning and development of all children in their early years (0-5) by aiming to ensure universal access to high quality music making in England

Challenging Circumstances – improving the life chances of children and young people in the most challenging circumstances by supporting them to achieve their full potential through engagement and progression in music making

Encouraging Talent and Potential – realising the musical talent and potential of children and young people by ensuring opportunity for all to develop their talent regardless of background or chosen genre

The next deadline for applications is 10th September 2010.

### RSPCA Education

The RSPCA is offering free online tried and tested curriculum-linked education resources written by teachers. There are more than 90 different lesson ideas with teacher and pupil fact sheets, pupil activity sheets and engaging photos and pictures.

Their primary interactive resource for KS1 and 2 - Animals and us is linked to the English and Welsh national curricula.

Their secondary science interactive resources - Science, ethics and animals is linked to GCSE science. The Ethics court and Value of life activities are designed to stimulate ethical debate and scientific research, and aim to get students thinking about the way we interact with, value and use animals in our daily lives.
